What's new for The X1 ?

From 12 September 2011 there are timing changes on Mondays to Fridays, but only in the direction of Stone and Beaconside, so please check your boarding point times carefully. There are no changes in the direction of Stoke and Hanley or on Saturdays.

The X1 is a reliable, high quality service and we are also introducing double deck buses from the start of the new university term to meet increased demand. **Three brand new, low floor diesel-electric hybrid buses are currently being built.** They will be the most green and clean buses in Staffordshire! They have a distinctive new livery, with all the latest communications technology for your safety and security, plus free Wi Fi on board. We expect them to enter service later in the autumn, but three similar buses will be used until they arrive.

In 2012 the **Staffordshire County Show** will take place on 6 and 7 June and a special shuttle service will again operate between Stafford town centre and the showground. There will be special inclusive fare deals offering huge reductions on tickets purchased in advance. Credit card sales will be available too. Please telephone or visit the **bakerbus** website for details nearer to the event or visit www.staffscountyshow.co.uk
