## Useful information about your bakerbus services

This free bus guide is part of our wide range of publicity for our local bus services to show just how easy it is to get around North Staffordshire and South and East Cheshire by bakerbus.

Publication of this guide has coincided with the opening of a brand new Sainsbury's store in Biddulph, with new and improved bus stop facilities for our southbound services directly outside the store's High Street entrance. This will be a big improvement for visitors to Biddulph and the many people who transfer between our connecting bus services at this location. (The northbound bus stop in Biddulph High Street, by the Co-op Pharmacy, is unchanged).

The map shows the routes we operate, with some brief details alongside and there are some bargain fares on the back cover. So please contact us for particular bus times and fares. Leaflets are available for each service, which are also posted on the bakerbus website. Full contact details follow below, including details of our timetable mailing list, by post or email, to always keep you up to date in advance of any changes.

If you have a car, why not consider leaving it at home more often and travel with us? No parking fuss, parking fees or fines!
